CHAIRMAN'S MESSAGE

Members who attended our AGM last November will be aware that a number of changes have taken place in our Management Committee, several committee members have been unable to continue, although we were pleased to welcome a new member, Clive Nelson, earlier this year. We still have room for one or two new members, and hope that there may be some nominations at our AGM in November. It is not a particularly onerous commitment, with just four meetings a year, each lasting no more than two hours.

Our current committee has worked hard this year, and have all volunteered to assist in such matters as organising outings, this is part of our programme for our members, and we feel it is an essential part as all the excursions continue to be well supported, necessitating a second trip, or second coach in some cases. Graham White, who was our Excursions Secretary, has brought his invaluable expertise to help where needed, and several trips have been planned for 2012, details are on pages 14 and 15.

Our membership is being maintained, thanks to the efforts of our Membership Secretary, Valerie Grimmer, and David Gilmore who makes contact with new National Trust members.. It was with regret that we received his resignation from Peter Waring, who has been in charge of the computer listings, and this job has been taken over by Archie Pitts, we are grateful for his interest in this. Margaret Pope, who has been a committee member and a great support over many years, also resigned due to ill health, our thanks go to her and our best wishes for the future.

We have been able to donate to various projects of the National Trust, which is, of course, the main reason for our existence, and visitors to Packwood are able to enjoy sitting in the picnic area, under the sun umbrellas which our donation purchased. A further donation has gone to Baddesley Clinton, and is to be used for new curtains in Henry Ferrers' bedroom, we will be told in due course when these are ready.

Next year, 2012, sees the 40th Anniversary of the founding of Mid-Warwickshire Association, and we hope to have some celebrations to offer you. More details in the next issue of "Oak Leaves".

We would be pleased to welcome other members onto the Management Committee, particularly those who feel they are able to offer talents to fill the gaps left by our changes. Please contact me or other committee members for more information.

We look forward to your continuing support.

VILLAGE WALK

WOOTTON WAWEN

(by own transport)

On Saturday 10th September 2011

Meet at St Peter's Church at 2.30pm

Wootton Wawen has an interesting Church, with the only Saxon work on any scale in Warwickshire, it has memorable architecture and fascinating monuments. Wootton Hall, east of the church is a stone Palladian building of 1687 incorporating a house of an earlier date. The Bull's Head Inn is a picturesque timber-framed building, probably of the 16th century. The making of wooden hurdles was a village craft.

Conducted tour of the church and village,
followed by afternoon tea in the Village Hall
(Sandwiches, scones and jam and home-made cakes)

Tickets £7 each

From Miss J. Johnstone

(see booking form)

Please apply by 3rd September and include sae.

MID-WARWICKSHIRE ASSOCIATION

Invite you to an

ASPARAGUS SUPPER

At the Fleece Inn,

Bretforton, Near Evesham, WR11 7JE

(using own transport)

On THURSDAY 17th MAY 2012

7pm for 7.30

Tickets £15

The Fleece Inn is a half-timbered medieval farmhouse, which originally sheltered a farmer and his stock. The inn was first licensed in 1848. Following a fire several years ago, it has now been restored to its former glory, with witches circles, and precious pewter collection, it has developed a reputation for traditional folk music, morris dancing and asparagus. We shall be eating in the medieval thatched barn.

The menu will consist of home-cooked ham and asparagus, with vegetables, followed by a sweet and tea or coffee. More details will be in our Spring 2012 magazine.

Bookings may, however, be sent in now to secure a place, as numbers are limited.

PLEASE NOTE : This evening is using own transport.

See booking form on separate sheet.

TALKS PROGRAMME 2011-2012

Our meetings are held on Wednesday evenings, normally the first Wednesday of the month in the Avon Hall of the Royal Spa Centre, and start at 7.30pm **Guests are welcome, the admission price for non-members of the Association is £2.50**

WEDNESDAY 5th OCTOBER 2011

ROME AND ITS FOUNTAINS is the subject of Keith Holmes' talk, the fountains of Rome are some of the city's best-loved features. Every day thousands of people stand in wide-eyed amazement at the Trevi, a giant of a fountain situated not in a grand piazza or adjoining a palazzo, but in a tiny square at the junction of three roads – the *tre vie*. Besides Rome's grand historical sights and famous fountains, Keith reveals some hidden gems – fountains tucked away in quiet piazzas, others with a fascinating history and the *nasoni* that slake the Roman thirst to this day.

WEDNESDAY 2nd NOVEMBER

The Annual General Meeting of the Association is followed by an interesting and colourful illustrated talk **THE HISTORY OF HIDCOTE MANOR GARDEN** by the Head Gardener Glyn Jones. American Lawrence Johnston created this fantasy of garden rooms, rare trees and shrubs, herbaceous borders and unusual plants from around the world.

WEDNESDAY 30th NOVEMBER

Every year we spend time mulling wine, stirring puddings and decorating our homes for Christmas, but just where do all these customs come from? This illustrated talk by Michael Leach on **THE NATURAL HISTORY OF CHRISTMAS** shows how our love of Christmas trees helps to conserve owls. It uncovers the true character of our favourite Christmas bird, the robin, and most interesting of all it reveals just how it might be that reindeer come to fly!

WEDNESDAY 4th JANUARY 2012

18th and 19th CENTURY LONDON PLEASURE GARDENS were a source of entertainment, Vauxhall and the Ranelagh Gardens provided music and a place for people to meet and walk, eat and drink in the supper boxes decorated with paintings by Hogarth and others. The Prince of Wales went often, and many of the nobility and gentry. Other pleasure gardens were opened following their success. Musician and lecturer Helen Larner shows slides with music to bring these places to life for us.

WEDNESDAY 1st FEBRUARY

BESS OF HARDWICK and HARDWICK HALL Dr Gillian White will tell us Bess's own story in the first part of this talk, and Hardwick Hall in the second part. Bess of Hardwick is one of the most fascinating women of the 16th century. Four times married, she became wealthier with each husband and climbed the social ladder to become England's premier countess. A friend of Elizabeth I, sometime gaoler to Mary Queen of Scots, and grandmother to a potential queen, Bess moved in and out of the pages of Elizabethan history.

WEDNESDAY 7th MARCH

Peter Preece came to us at short notice in 2006, when our speaker was taken ill. We so enjoyed his presentation that we asked him back to give another of his natural history talks. **EVERY PICTURE TELLS A STORY** looks at the lifestyles of herons and kingfishers, rare mitten crabs and other wildlife in Britain and Europe.

WEDNESDAY 4th APRIL

Elizabeth Horton tells us about **THE AGE OF ADORNMENT**, which covers the history of jewellery in all its many forms, materials, styles and uses, from precious gems to the humble beechnut, via all the products of the Birmingham Jewellery Quarter: pique, silver, pinchbeck and much more. The Horton Collection of 19th century jewellery, the most comprehensive in private hands, was relocated to the Rochester Museum, Kent, in 1996, and the most popular items are now shown in this illustrated talk.

WEDNESDAY 2nd MAY

To celebrate our Queen's Diamond Jubilee next month, we are pleased to welcome Dr Barry Twigg. The overwhelming majority of people in the United Kingdom not only believe that the current Monarch has carried out her duties in a most outstanding way over an extraordinary sixty-year reign, but also believe that the monarchy remains relevant to the nation and to the other countries of which the Queen is Head of State, and to the Commonwealth now and in the future.

The Monarchy as an institution has been changing and modernising throughout the Queen's reign. **SIXTY YEARS OF MARVELLOUS MODERN MONARCHY** – not only refers to the magnificent model of a constitutional monarch which we have, but also to the ways in which the Monarchy has been developing over the years. It also looks towards the future. It also makes reference to the very small but vociferous republican movement in this country and counters the arguments which they put forward.

MID-WARWICKSHIRE ASSOCIATION.....

SUBSCRIPTIONS

Renewal of membership is due on 1st September. It would be appreciated if members could renew before the first meeting of the new season in October. This would save you time queueing in the foyer. Membership is £10. If you are paying at our October meeting, we would request that you fill in the subscription form with your full details, including your National Trust number. When renewing by post would you please enclose a stamped, self-addressed envelope for us to send your new membership card. Membership application forms should be in this magazine, if yours is missing please contact the Membership secretary.

DONATIONS.....

Mid-Warwickshire Association has donated £3,000 this year, divided between Packwood House, where we purchased four sun umbrellas for the tables in the picnic area, (see picture) and Baddesley Clinton, where our donation will provide new curtains for Henry Ferrers' Bedroom - hopefully these will be installed before the next (Spring 2012) issue of our magazine.

OUR WEBSITE.....

Is now in operation, but reaching the information is not as simple as we would like! We have been promised a simpler and more user-friendly address (soon!)

The Chairman welcomed Stephen Bennett, Property Manager at Charlecote Park, who addressed the meeting on all the events taking place.

Any Other Business. There was no other business.

The meeting closed at 8.05pm.

After the interval Sarah Kay talked about "Peeling Back the Layers to reveal what lies beneath at Croome Park".

Management Committee Report 2010-2011

The Management Committee has pleasure in presenting to the Annual General Meeting this the 39th Annual Report, which covers the twelve month period to 31st August 2011.

We were pleased to welcome newcomers to the Committee – Mrs Marianne Pitts, Hon Treasurer, and Mr Clive Nelson.

The Winter Season of talks held at the Royal Spa Centre, Leamington Spa, were well-attended. The season started off in October with a talk by Dorothy Nicolle about Thomas Telford's Shropshire Legacy. Other talks ranged from Joseph Paxton, the Busiest Man in England, and Imperial Gardens of Japan. We are indebted to Patricia Dent, who always manages to find excellent speakers.

On 11th September members visited the Church at Lower Brailes, followed by afternoon tea provided by the local W.I.

The excursions arranged by different members of the committee were very well supported, on occasions it has been necessary to make more than one visit. The visits have been to Salisbury Cathedral and Mompesson House; Legal London (three times); The National Gallery for the Canaletto Exhibition; Olympic London and Docklands; BBC Television Centre at Shepherds Bush; Mottisfont Abbey and Gardens; and Cheltenham and Stanway House and Water Gardens.

On 19th February a well attended luncheon was held at St Francis Parish Centre in Kenilworth. The guest speaker was Sarah Falkland, talking about her life with the BBC.

A Coffee Morning was held on 7th May at Holy Trinity Church, Beauchamp Avenue, at which guests were entertained by Adrian Moore, the Organist at Holy Trinity.

The raffle remains popular, our thanks go to Betty Mash and her team of helpers.

Membership remains stable. The Committee are indebted to Valerie Grimmer, Tony Gulliman and Peter Waring .

Finally thanks go to David Gilmore for dealing with the Press and Publicity, and to Marianne Pitts for all the work she puts in to dealing with the Association's finances.

We look forward to another successful year ahead when we shall be celebrating our 40th Anniversary.

OUR EXCURSIONS

This last year the excursions have been organised by different volunteers, mainly Committee members, and also other people.

We were pleased to note that support was undiminished, in fact several outings had to be repeated a week later, or two coaches needed to be booked. Our thanks go to each of the individuals who so generously volunteered their time and efforts to organise them and to ensure their success.

Having decided that mid-winter sometimes presented problems with the weather, we started the year's outings in March, with a trip to Olympic London and Docklands, the contrast between old and new was fascinating, and the redevelopment of the area was encouraging to see. The Olympic site was fascinating, although we were too early to enter any of the fine arenas which will be used for competition, it looked very promising. The BBC Television studios at Shepherds Bush were also interesting, although sadly it will also be redeveloped as it is thought it is coming to the end of its useful life, the most interesting part was the news room where an astonishing amount of information is received from every part of the world, and edited and presented in the news bulletins throughout the day – the thinking behind the presentation – as to suitability for the early part of the day, and after the watershed was illuminating. Both of these trips required a second coach to accommodate the many people who wanted to take part.

June's trip to Mottisfont was also well received, the roses were beautiful in spite of the wet weather which preceded our trip. A number of people on the waiting list were disappointed, and we may do it again in a year or so. July saw our third trip to Legal London, and August took us to Cheltenham and Stanway House and Water Gardens. Another fine day and a leisurely trip much enjoyed by all.

Happily, a number of people have again volunteered to organise trips for next year, 2012, and our grateful thanks go to them, and to all of you who give us such welcome support.

PMD

EXCURSIONS 2011-2012

Members will be aware that there are fewer excursions this year, at the moment we are relying on several willing volunteers to organize a few outings and excursions for the coming months. If you feel that you would like to join this select band, and will offer to perhaps organize just one outing during the next year or so, please contact the Chairman, Patricia Dent or other member of the Management Committee, and we will be pleased to discuss the matter with you, and ensure that advice and assistance if required, will be available.

Bookings for trips will be dealt with commencing three weeks after the distribution of this Oak Leaves Magazine, and applications will be acknowledged from this date. If you do not hear from the organizers soon after this, please contact the telephone number on each booking form to check that your application has arrived.

The price of the excursion includes the cost of coach travel, the driver's gratuity, the cost of any talk or guided tour and admission to properties which do not belong to the National Trust.

Please remember to bring your National Trust Membership Card for entry to NT properties As before, all excursions will depart from the Leisure Centre at Newbold Comyn, with a further pick-up five minutes later at Newbold Terrace, opposite the Royal Spa Centre.

If, having paid for your excursion, you need to cancel, we must emphasise that it will be your responsibility to find someone else to take your place. The organizers may be able to assist with names and telephone numbers if there is a waiting list, but this cannot be guaranteed, nor can a refund, particularly if certain tickets have to be ordered and paid for well in advance.

The names of the volunteer organisers are on each booking form, so please make sure you address them correctly, but cheques still must be made out to "MID WARWICKSHIRE ASSOCIATION OF THE NATIONAL TRUST" and enclosed with your booking form, together with a stamped, addressed envelope.

THURSDAY 13th OCTOBER

THE ASHMOLEAN MUSEUM, OXFORD

Our previous trip to the Museum, in February 2010 was very popular, and a number of people had to be disappointed, so please contact us again if you would like to come this year.

The Ashmolean reopened at the end of 2009 after a considerable refurbishment and the addition of 39 new galleries. The coach will drop us off at the museum about 11.30 am, and will pick us up again at 4.30.

Cont.....

THE ASHMOLEAN Cont.....

This will allow plenty of time for lunch and browsing round the exhibits at your own pace, or possibly visiting some of the other attractions nearby in Oxford.

Lunch may be taken at the Ashmolean Dining Room- the Museum's rooftop restaurant (but we would advise advance booking for this as it was full on the previous occasion (Tel 01865 - 553823) there is also a self-service café in the Museum, and many other eateries in the area. There will also be a "Claude Lorrain: The Enchanted Landscape" special exhibition, at an additional cost of £9,(£7 concessions) and tickets may be purchased on arrival. We have not included it in the price as some may not want to see it. The price does include a donation to the Ashmolean. We shall leave Oxford at 4.30pm.

THE HOLBURNE MUSEUM of ART, BATH

A visit to Bath is always a delight. Situated in Great Pulteney Street, the Holburne is one of the country's outstanding small museums. Recently extended and refurbished, the museum is now more attractive than ever. It contains the treasures assembled by Sir William Holburne and features a fine collection of English and continental silver, glass and majolica, Renaissance bronzes and paintings by Turner, Guardi and Stubbs as well as many other items. After the museum visit you will have the opportunity to explore this lovely city. Lunch could be taken in the Museum tearoom, one of the many restaurants in the city or as a picnic. If this excursion is over- subscribed, we intend to organize a second visit on Tuesday March 20th provided that there is sufficient demand.
